VPL Board Meeting Minutes
Library Board of Trustees-Verona Public Library
500 Silent Street Verona, WI 53593

Wednesday, November 4, 2020, 6:30 p.m.
Virtual Board Meeting

Virtual Participants: Conwell, Huemmer, Sohail, Ryan, Hopp, Cronin, Kurth, Burkart

Call to order:
Hopp called the meeting to order at 6:30 p.m.

Approval of Minutes:
A motion was made by Huemmer, seconded by Kurth to approve the Regular Meeting Minutes of 10/07/2020. Motion carried.

Review and Approval of Invoices:
A motion was made by Kurth, seconded by Huemmer to approve the October 2020 invoices. Motion carried.

Public Comments:
None

City Council Liaison Report:
Cronin reported that the finalized annual budget will be presented to common council on Monday, November 9th. She also updated the board regarding the 410 and 420 W Verona Ave development plan that was voted down and will be presented to the council again with some significant changes by the developer. The development is supposed to include some rental units as well as a portion of commercial space.

Library Director's Report:
Burkart reported that the library has reverted to curbside service only and suspending other library services after the increase in the COVID-19 cases in the county. She further added that there has been an increase of about 15 appointments a day for curbside pickup. Burkart also reported that there will be two computers and one photo copier available next week in the community room. Burkart also reported about the prairie burn that happened on previous Monday. She also informed regarding the election day which got busy before and after working hours.

Old Business:

1. Discussion and possible action regarding library response to COVID-19: There has been no objection from the community for reverting to curbside pickup of library materials. The library staff
is more comfortable with this model of library operations given the current community spread of COVID-19.

2. **Preliminary discussion of 2021 Director goals:** The board discussed the director goals for 2021 with Burkart. The discussion was made regarding inclusion and/or updating the inclement weather and pandemic policy, circulation policy, safety protocols and strategic planning along with inclusive services survey for the patrons. The board further discussed to add Overdrive, ESL classes, Green Team environmental projects and some fundraising changes for the upcoming year (5K Run/Walk Event). The board also recommended to keep working on diversity and equity programs in the library, the ideas on how to support the small businesses in the community in some shape and form, inclusion of an outdoor exhibit about racial diversity and end of the year communication with the donors.

**New Business:**

1. **Discussion of metrics needed to reopen the library:** Conwell shared the current metrics from Madison and Dane County Public Health Department that shows an average of 214 COVID-19 cases per day. It was discussed that the department has moved to the crisis model of contact tracing. Schools remain open owing to their own contact tracing models with their individual healthcare workers. Community spread metrics and average number of cases through the model were discussed. It was recommended to keep the library closed for other services and keep the curbside service open until at least 2 months or when the COVID-19 cases trend look better and to coordinate with other SCLS libraries to make further decisions regarding reopening of the library.

**Adjournment:** Meeting adjourned at 7:49 p.m.

II. Circulation
October 2020 Statistics
- Self-check-outs: 17,986
- Total check-outs: 34,075
- Self-check-outs vs. desk: 69.96%
- Sept. 2019 vs. Sept. 2020: -26.10%
- Check-ins: 24,656
- Library cards added: 50
- Holds placed: 16,502

Curbside pick-up:
The library closed to the public again on October 26, due to rapidly increasing COVID-19 cases and hospitalization rates. Demand for curbside pick up appointments went up 560% once we suspended express service. In the last 30 days, the library staff completed 3770 pick-up appointments. This is an average of 50 more pick-ups per day than we saw in the spring. The library staff have been working very hard to keep items moving out the door and into our patron’s hands.

Currently curbside pick-up appointments are available:
M-R 9:15 - 6:45pm
F 9:15 – 5:45pm
Sat 9:30 – 3:00pm
III. Reference
Statistics (past month):
- Reference questions: 439
- Kids Reference questions: 262
- Directional questions: 70
- Outer Library Loans: 13 requests
- One-on-one Instruction: 2
- Curbside Pick-up appointments: 3770 (up from 571 in October)
- Computer Lab appointments: 23
- Librarian’s Choice requests: 329

Social Media Engagement:
- Facebook: 3,361 followers, 79 posts/events
- Twitter: 1,742 followers, 38 tweets
- Instagram: 1,193 followers, 40 posts
- Events Newsletter A: 11,869 recipients
- Events Newsletter B: 11,860 recipients

IV. Personnel and Staff Development
Staff participated in several webinars and online trainings this month:
- Baker & Taylor, Babies-Early Reader Materials & Middle Grade Materials
- Ornery Teenagers with Ryan Dowd
- Recruitment and Hiring for Inclusion and Diversity
- Technology-Oriented Jobs and the Skills to Get Them
- November Cooperative Children’s Book Center Shorts
- Building Literacy in Every Library Part 3 - Curious Readers: Celebrating the Joy of Reading
- Facing Bias (CVMICO: This training is one of three Diversity and Inclusion training options that all full-time city employees will participate in.

V. Equipment and Physical Facilities
The parking lot wifi access point installation project has been plagued by manufacturer delays but the new timeline for completion from South Central Library System is early December.

VI. Administration and Internal Operations
The library has been operating in all-hands-on-deck mode this month to keep pace with demand for curbside pick-up appointments. Youth Services staff has been partially reassigned to work in circulation and library managers have been pitching in where needed as well. Library pages started doing delivery shifts on Saturdays. Staff has been very adaptable and flexible with all of the changes to service models and duties.

VII. Marketing and Public Relations
Luke created 94 individual graphics to promote events and services via social media, the website, and internal digital signage.

VIII. System and Interagency Cooperation
Emma attended the SCLS Discovery Interface Subcommittee meeting on Wednesday, November 18.
Theresa attended the Collection Maintenance Subcommittee meeting on November 11. Madison Public Library wants to form a work group to discuss circulating all TV show season DVDs together, rather than separating out each disc (which is what we do currently).

**IX. Fundraising**
The library will be mailing out the end-of-year fundraising letter for the endowment in early December.

Planning is underway for a virtual 5K Run/Walk that may include a non-timed suggested route that starts and ends at the library on May 1. Participants can either run at a place of their choosing or on the suggested route at the library.

**X. Events, Programs and Exhibits**

**Kid’s Events and Programs:**

**StoryWalk**
The StoryWalk installed on October 19 at Fireman’s Park, featuring the book “Daniel's Good Day” by Micha Archer, will be removed on November 23. We will not likely choose that location again, as there is a layer of gravel from an old driveway along the sidewalk, preventing the signs from going into the ground.

**Fall story times**
Presented on Facebook Live from September 1 to October 23.

Goals and Objectives for the Verona Public Library in the 2021 Budget

- To offer as much service as safely possible in the midst of an ongoing global pandemic and return to regular library hours and services when conditions allow.
- To increase library programing that focuses on racial equity and social justice.

Administration:

2. Continue to develop safety protocols, procedures, and staffing models in response to changing public health conditions during the COVID-19 pandemic.

3. Assess what changes the pandemic will have on library strategic planning and solicit feedback on library services from the public via survey.

Collection Maintenance:

1. Supervise and support the completion of a diversity audit in the adult and children's fiction collections.

2. Supervise the completion of the biannual inventory of the library collection.

Library Service:

1. Maintain an efficient system of curbside delivery during the pandemic.

2. Create and maintain a system of online programs and events as long as in-person programs are not advised by public health officials.

3. Review library services and continue to offer as many regular library services to the public as possible with staff and patron safety a top priority during the pandemic.

4. Increase offering of program offerings that focus on anti-racism, diversity, equity, and inclusion in 2021.

5. Identify programs, exhibits, or services for the 2021 endowment disbursement, one focus will be on the topic of racial diversity, equity, and inclusion.

6. Fundraise $10,000 for the library Endowment Fund by the end of 2021.
7. Continue to write quarterly columns for the Verona Press that focus on literacy or library related topics.

Facilities Management:

1. Plan for a library re-carpeting project that may begin in 2022 and take three or more years to complete.
Verona Public Library
Epidemic & Library Health Emergency Policy

I: Purpose
To establish a protocol that will be used in the event of an epidemic or declared public health emergency. The library should plan for staff being unable to report to work in the event of a serious infectious disease outbreak. In addition, during an epidemic or health emergency organizations may be required to take measures to help slow the spread of illness such as closing by order of Dane County public health officials. It is important to ensure that core business activities of the library can be maintained with limited staff and reduced hours as determined by the Library Director.

II: Definitions
This plan differs from a general emergency preparedness policy or procedure. With an emergency preparedness policy, there is an assumption that staff will return to the building or begin recovery work almost immediately after the event or crisis (such as after a fire or storm). If there is a serious infectious disease outbreak, recovery may be slow and limited staff, services, and hours may be necessary for several weeks or more.

Epidemic – A disease affecting many persons in a specific locality at the same time, and spreading from person to person in a locality where the disease is not permanently prevalent.

Library health emergency – The state of affairs in which there are not enough healthy library staff to maintain normal hours of operation.

Employees and staffing level – Permanent part time and permanent full time library staff as defined in the City of Verona Personnel Policy. This does not include library volunteers.

III: Library Closure
The Verona Public Library may temporarily close because of an epidemic or library health emergency in the event that any of the following occur:

A. The City of Verona facilities or offices close because of a health emergency.
B. A mandate, order, or recommendation for closure is issued by Dane County public health or other government officials.
C. The Verona Area School District (VASD) closes schools because of an epidemic.

At the discretion of the Library Director, the Verona Public Library may temporarily close, reduce its operating hours, or limit services in the event that there is insufficient staff to maintain basic service levels.
In the event of closure, due dates and holds pickup dates for library materials will be adjusted so that no lost charges are assessed and holds do not expire on dates in which the library is closed. The exterior book drop will be kept open and cleared periodically as long as possible.

The Library may reopen to the public even if VASD schools remain closed if cleared to do so by the Public Health Madison & Dane County and the City of Verona.

IV: Minimum Staffing Level to Remain Open
If Dane County public health officials allow public facilities to remain open during or reopen following a public health emergency, the Library must maintain a minimal level of staff in order to be open to the public. Minimum staffing level for a temporary period of time is defined as four healthy staff members available to be present at the library during all open hours with a maximum 8 hour workday and 40 hour workweek per employee. Thus, at least eight healthy desk staff must be available to keep the library open for its regular daily hours Monday – Friday, and at least four available for regular weekend hours.

An inability to maintain this temporary minimal level will result in reduced hours or closing the library. Also, the necessity to maintain this temporary minimal level for more than five consecutive days will also result in reduced hours or closing the library.

The absence of healthy library staff will determine the ability to carry out services and maintain open hours. At the library director's discretion, this may include:
1. Cancelling programs, special events, and meeting room reservations.
2. Reassigning employee duties and shifts.
3. Reducing open hours if the number of employees falls below minimum levels.
4. Closing the library for one or more days.

If the Library is open, employees are expected to report to work on time as scheduled, excluding any excused absences following the City of Verona's sick leave policy. In the event of sudden closure and healthy library employees are sent home from work, those employees shall work from home where possible. Staff may also be voluntarily temporarily reassigned to work in other city departments.

V: Communication
The library director will notify the library board of any changes in services or hours related to an epidemic or health emergency. Any changes in the library’s open hours to the public will be communicated via the library’s website, social media accounts, and phone messages.
VI: Prioritization of Services
If reduced staffing, hours, or services are required, employees shall perform priority responsibilities that most directly impact patrons prior to any other work tasks.

Priority responsibilities shall follow this order, with safety being a priority:
1. Direct patron assistance, e.g. check out, issuing library cards, computer and information assistance.
2. Processing incoming holds, check in, incoming delivery returns, shelving.
3. Processing holds, shelf action lists, pick lists.
4. Submission of payroll, processing bills for payment, preparing for and holding Library Board meetings.

Individual responsibilities outside of those described shall be completed after prioritized tasks if time permits, performing those duties with a deadline or significant impact first. Employees should consult with the Director or designated administrative authority to determine staffing area assignment and which individual work tasks should take priority, or in the event that they feel a responsibility not listed here requires urgent attention.

VII: Employee Absences
The City of Verona’s Personnel Policy outlines the sick leave policy. This policy shall continue to be followed in the event of an epidemic or library health emergency.

VIII: Responsibility for Library Operations
If, for any reason, the Library Director is unable or unavailable to perform the responsibilities and decisions outlined in this policy, administrative authority for this policy and all library operations shall fall to the Assistant Director.
