

Community Bulletin Board Policy

A limited amount of bulletin board space is available in the library to educational, cultural, or other non-commercial, non-sectarian civic groups for posting notices of meetings and other activities. No commercial notices for individuals or organizations, such as items for sale, may be displayed.

All notices are subject to the following guidelines:

- All items must be dated.
- Only one copy of the same notice is allowed.
- Items may not be posted more than two weeks prior to the event.
- Due to space constraints, preference will be given to posters 8.5 x 11 and smaller.

All notices posted in the library become the property of the library and may be removed and discarded at any time. The library does not accept responsibility for returning notices and posters to their owners.
