Who We Are

"Friends of the Verona Public Library" is a not-for-profit organization that raises funds to provide extra programs, materials, services and facilities for the Library. The Friends sponsor many free activities, such as the summer reading program for children, seasonal holiday celebrations, and story times for children, where children participate in stories, songs and movies. The Friends sponsors special guest visits too, like zoo experts, songwriters and jugglers. The Friends also sponsors discussion groups for adults and equipment needs.

Our Purpose

The purpose of Friends of the Verona Public Library is to maintain an association of persons interested in libraries, to focus public attention on the library, to educate the community in the use of library resources and services, to receive and encourage gifts and bequests to the library, to support and cooperate with the library in developing library services and facilities for the community, and to sponsor educational and cultural programs.
