

## How To Tag a Butterfly

Monday, September 16, 10:00 – 11:30 a.m.

Learn how to tag monarch butterflies so their path from Wisconsin to Mexico can be tracked. Staff from Madison Audubon will assist. **Registration required.**

## Autumn in the Prairie

Tuesday, September 17, 6:30 – 7:30 p.m.

Take a guided walk through Badger Prairie Park with Dane County Parks Botanist/Naturalist Lars Higdon. Learn about the importance of natural areas in our urban landscape and identify fall blooming prairie plants, including those that are beneficial to migrating monarch butterflies and other pollinators.

**Registration required.**

## Film Screening: *Papalotzin—The Flight of the Monarch Butterfly*

Monday, September 23, 10:00 - 11:00 a.m.,  
& 6:30 – 7:30 p.m.

Mexican filmmaker and pilot Francisco Gutiérrez documented his 72-day adventure following the monarch butterflies' travel from Canada to Mexico. Screen time 60 minutes.

## “Stained Glass Monarch” Charcoal Drawing

Tuesday, September 24, 6:00 – 8:30 p.m.

Explore the fun of drawing with charcoal. Instructor and artist Robert Gorder will provide step-by-step instructions. Take home your masterpiece charcoal drawing, a mat, and a protective sleeve. No drawing experience required. All supplies provided. **Registration required.**

# On the Trail of the Monarch Butterfly Program Guide

August 19 - September 29, 2019  
Verona Public Library

An exhibition of aerial images taken by  
cinematographer and ultralight pilot Francisco  
Gutiérrez.

Brought to you by the Verona Public Library En-  
dowment Fund.

CANADA AVIATION  
AND SPACE MUSEUM  
MUSÉE DE L'AVIATION  
ET DE L'ESPACE  
DU CANADA

## **Open Art Studio: Butterflies**

August 19, 2:00 - 4:00 p.m.

Drop in to make some different butterfly crafts!

Open to ages 2-10.

## **Opening Reception**

Thursday, August 22, 6:00 – 6:30 p.m.

Light refreshments will be served. Complimentary butterfly seed paper bookmarks will be available.

## **Dwindling Numbers for an Iconic Insect: A Conservation Biologist Ponders Moving Beyond the Documentation of Declines**

Thursday, August 22, 6:30 – 8:00 p.m.

Karen Oberhauser, Director of the UW-Madison Arboretum, will describe the amazing biology of migratory monarch populations, how citizens and scientists are documenting monarch numbers across their migratory cycle and what we can do to help preserve this charismatic insect for generations to come.

## **Butterfly Story Time**

Saturday, August 24, 10:00 – 11:00 a.m.

Enjoy stories, songs, and activities with a butterfly theme to help kick off our "On the Trail of the Monarch Butterfly" traveling exhibition. Geared toward ages 0-5.

## **Tips for Better Nature Photography**

Wednesday, September 4, 6:30 – 8:30 p.m.

David Anderson, photographer and instructor from The Camera Company, will share ideas for taking better nature photos. Bring your camera and we will go to Badger Prairie Park to take photos. Anderson will cover wide and close up shots, what camera settings are best, what lens is best and what elements make a great photo. **Registration required.**

**Film Screening: *Papalotzin—The Flight of the***

## ***Monarch Butterfly***

Friday, September 6, 1:00 – 2:00 p.m.

Mexican filmmaker and pilot Francisco Gutiérrez documented his 72-day adventure following the monarch butterflies' travel from Canada to Mexico. Screen time 60 minutes.

## **Monarchs and Milkweeds**

Saturday, September 7, 1:00 - 2:00 p.m.

Discover the connection between monarchs and milkweed plants and learn about the monarch's amazing life cycle and annual migration to Mexico. Make a milkweed seed ball and learn about butterfly gardens, too. Presented by Marsh Haven Nature Center director, Renee Wahlen, this family-friendly program is suitable for all ages.

## **Importance and Benefits of Native Species and How They Directly Relate to the Monarch Butterfly**

Tuesday, September 10, 6:30 – 7:30 p.m.

Michelle Stowers, Nursery Ecologist from Agrecol Native Nursery, will discuss why native species are vital to the monarch butterfly. Stowers will also discuss how to rear your own caterpillars through metamorphosis. Complimentary milkweed seeds will be available.

## **Senior Center Book Group: Flight Behavior by Barbara Kingsolver**

Wednesday, September 11, 12:30 – 1:30 p.m.

The Senior Center Book Group meets the second Wednesday of every month from 12:30-1:30 pm at the Verona Senior Center. Join us on September 11th to discuss *Flight Behavior* by Barbara Kingsolver. Copies are available to borrow at the Verona Senior Center, or request a copy from the library.
